

THE WORLD'S FIRST CLOG-FREE STRAW

# Sip Ezy<sup>®</sup>

Stress-Free Sipping

the flow shift.

We created the technology that shifts the flow of the suction in our straws so you can sip your smoothies **clog-free** and stress-free!

**CLOG-FREE**

**No fruit or veggie chunks**

**No flavored water seeds**

## Sip clog-free with SipEzy<sup>®</sup>!

Drinking your favorite smoothie, juice or flavored water can be frustrating! That moment when a clump gets stuck in the straw or is mixed into your latest sip can be embarrassing, jarring, and flat out irritating!

**SipEzy<sup>®</sup>** and our innovative **kerf technology** is the solution. **The only reusable clog-free straw in the world** is now ready to come with you wherever you go. **SipEzy<sup>®</sup> flow kerfs** create a perfect sip.
